

JOIN US FOR AN AFTERNOON OF GOLF, NETWORKING & FUN!

The Wichita Aero Club Golf Classic is back this year, marking the 12th Golf Classic to raise funds for educational and industry outreach initiatives. We are excited to host this year at Rolling Hills Country Club and feature networking and fun with fellow aviation professionals. We will tee off at 1 p.m. and conclude with a 19th Hole Dinner and Awards Ceremony. The tournament will feature the popular scramble format and include several opportunities to take home additional prizes through various course games.

Itinerary

- 11:30 a.m. | Registration, box lunch, and driving range and putting green open
- 1:00 p.m. | Shotgun start golf tournament - scramble format
- 5:30 p.m. | 19th Hole Dinner & Awards Ceremony

Raising funds for educational and industry initiatives

The Golf Classic helps support the Club's educational and industry-related initiatives, including the underwriting of Science, Technology, Engineering, Art and Math (STEAM) projects at all levels of instruction, from elementary to post-graduate. Proceeds from our annual Trophy Gala and Golf Tournament have allowed the Aero Club to establish a dedicated scholarship and educational fund at the Wichita Foundation. Thank you for your ongoing support!
